

# ¡Ataque del ASMA En la Aula!

## Marcadores Perfumados Pueden Realmente Afectar a un Niño con Asma.

Aunque no lo crean, los marcadores perfumados con olores fuertes y otro elementos del aula pueden provocar un ataque de asma.

## Do you like to draw?

If so, research how your health is affected by the air in schools and at home, write a short essay, and create a POSTER to share what you learned. Send your poster and essay to Asthma Posters at The Breathing Association, 1520 Old Henderson Road, Columbus Ohio, 43202. All posters using correct information will be displayed and winners will be announced at the MORPC Clean Air Fair in MAY. Entries must be submitted by 9/15/2011. Be sure to include your NAME AND ADDRESS and SCHOOL NAME on the back of your poster

Secondhand smoke comes from other people's cigarettes, cigars, or pipes. Don't allow smoking in your home or car.
