

Summer Crisis Program

HEAP Main Office

Walk In Crisis Appointments will be scheduled for service within 24 hours by telephone; call 614-969-0978.

More Time To Apply, More Benefits Available!

Call us at 614-457-2997 or our 24-hour appointment line at 614-969-0978.

Summer Crisis Program begins July 1, 2021 and ends September 30, 2021.

Our main office has moved to 788 Mt. Vernon Ave, Columbus, Ohio. Phone interviews are provided for families who desire to remain home for social distancing purposes or health issues. One phone call can put you closer to meeting your utility needs!

The documents customers must bring in for assistance: Picture Id for Head of Household.

Social Security Cards or Numbers for all household members. Proof of Citizenship for all household members (Birth certificates, voters registration, etc.) or Proof of legal residence in United States (I-9, Green Card, etc.) for all household members. Birthdates for all household members. Proof of Disability if disabled.

Documentation of 30 days of income (earned income 18 years and older - all unearned.)

Documentation of Zero income. (If Self Employed: IRS 1040 with all schedules or tax transcript).

Bring gas and electric utility bills if applicable.

In partnership with:

Significant changes by ODSA: HEAP, Winter Crisis Program, Summer Crisis Program, and eligible PIPP Plus customers looking to reverify may now apply online at <https://full-development.cs33.force.com/eap/s/>. For more details, visit our website.

Expanded Target Population:

- ~ 60 years and older – does not need disconnect
- ~ Medical letter or prescription documenting medical condition verified by a license medical professional who is qualified under Ohio law to write prescriptions
- ~ PIPP Default, or First PIPP assistance
- ~ A household member diagnosed with COVID-19 in last 12-months may provide written letter as proof
- ~ Electric utility has a disconnect notice, shut off, or new service.

Eligible Households can receive:

- ~ Up to \$500.00 if they are a customer of a regulated utility (AEP and Edison)
- ~ Up to \$800.00 if they are a customer of unregulated utilities such as electric cooperatives and municipal utilities.
- ~ Households may also receive an air-conditioner and/or fan if they have not received in last three years or central air conditioning repairs.
